PROFESSIONAL SUMMARY

Frontend developer with a strong foundation in Statistics and hands-on experience building responsive, user-focused web applications. Proficient in HTML5, CSS3, JavaScript (ES6+), React, and modern development tools. Passionate about writing clean code, optimizing performance, and expanding into full-stack development to create complete, scalable digital solutions.

Technical SKILLS

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React, TypeScript, Next.js
- **Styling & UI:** Tailwind CSS, Chakra UI.
- **Backend & APIs:** Node.js, GraphQL, REST APIs, Stripe integration
- **Tools:** Git, GitHub, Vite, Webpack, Lighthouse

Projects

Cocoa Claus Chocolate (Landing Page)

HTML5, CSS3, JavaScript | GitHub

- Designed a single-page landing page with custom JavaScript snowfall animation and pure CSS styling.
- Optimized for performance (<2s load time, 60fps) and full responsiveness using a mobile-first approach.
- Delivered a lightweight, framework-free experience focusing on interactivity and visual engagement.
- GitHub: <https://github.com/Webkingif/Cocoa-claus-chocolate>

Kindergarten School Website

HTML5, CSS3, JavaScript | GitHub

- Created a responsive, accessible website for an educational audience using semantic HTML5 and CSS3.
- Achieved 100% accessibility score on Lighthouse by adhering to WCAG guidelines.
- Applied core frontend principles to build a clean, intuitive layout.
- GitHub: <https://github.com/Webkingif/Kindergarten-School-website>

E-Commerce Platform

React, Next.js, GraphCMS, GraphQL, Stripe, Chakra UI & GitHub

- Built a fully functional e-commerce web app with product browsing, cart management, and secure Stripe payments.
- Implemented server-side rendering (SSR) and static generation (SSG) with Next.js, achieving a 95+ Lighthouse performance score.
- Used GraphQL to fetch product data dynamically; integrated Stripe Checkout for seamless payment processing.
- Developed a responsive UI with Chakra UI, ensuring consistent experience across devices.
- GitHub: <https://github.com/Webkingif/E-commerce>

EDUCATION

Bachelor of Science (BSc), Statistics | University of Lagos, Nigeria | Feb 2022 – Present (Expected 2026)

HOBBIES & INTERESTS

Reading, Tutoring, Youth Mentorship, Community IT Development and prompt engineering
